IOLTS 2026 – SUPPORTERS’ PLAN

This supporters’ plan addresses corporate companies that want to give high visibility to their products and services at the IEEE International Symposium on On-Line Testing and Robust System Design 2026 – IOLTS26. IOLTS is a prestigious forum for the scientific community discussing recent trends and novel concepts related to all aspects of the robustness of microelectronic circuits and systems. Regularly, people from the industry participate in IOLTS, and the benefits are notable for corporations that want to support the symposium.

This document is divided into sections, as shown below:

<i>IOLTS26 at-a-glance</i>	2
IOLTS26 Organization	2
<i>IOLTS26 Supporter levels</i>	3
<i>Benefits description</i>	4
IOLTS26 MAIN SUPPORTER(S) wording	4
The Social Event of the symposium will be announced as “offered by the Main Supporter(s)”	4
Additional publicity	4
Special Area and/or Table Top Demo	4
Complimentary registrations	5
Advertisement e-mails	5
The supporter’s name and logo will appear on the symposium’s web page	5

IOLTS26 at-a-glance

IEEE International Symposium on On-Line Testing and Robust System Design 2026 – IOLTS26 will be held at the Hotel “Covo dei Saraceni” in Polignano a Mare, Italy. The format of the conference will be fully physical. The technical program includes keynotes, scientific paper presentations, and special sessions/panels.

IOLTS26 Organization

The organization of the IEEE International Symposium on On-Line Testing and Robust System Design is coordinated by a Steering Committee. Every year, General and Program Chairs are appointed by the Steering Committee to implement the event in terms of accommodation and program selection.

This year, IOLTS26 is organized by Prof. Riccardo Cantoro and Dr. Annachiara Ruospo (both from Politecnico di Torino) as General Co-Chairs, and Prof. Angeliki Kritikakou (University of Rennes, IUF) and Dr. Marcello Traiola (Inria Centre at Rennes University) as Program Co-Chairs. The General and Program Co-Chairs coordinate the organizing and technical committees.

Please browse the IOLTS26 website at this URL <https://orion.polito.it/iolts/committee/> for more details about the IOLTS26 organization.

IOLTS26 Supporter levels

The current organization of IOLTS26 proposes the following three levels of sponsorship for companies to support the IOLTS26 organization:

- 1- **Platinum Supporter** - 5,000€
- 2- **Gold Supporter** - 2,500€
- 3- **Silver Supporter** - 1,500€

The table below summarizes the benefits associated with every level. A detailed description of each benefit follows on the next pages.

	5,000€	2,500€	1,500€
Benefit	Platinum	Gold	Silver
IOLTS26 MAIN SUPPORTER(S) title	YES		
The Social Event of the symposium will be announced as “ offered by the Main Supporter(s) ”.	YES		
Additional publicity paths can be arranged as requested by the supporter in addition to all the following benefits.	YES		
A special area and/or Table Top Demo at the symposium site will be assigned to the supporter as its own demonstration area (posters, leaflets, recruitment material, and other advertisement material). This could be a table (provided by IOLTS) or a booth (supplied by the corporate supporter).	YES	YES	
Complementary registrations to the symposium	2	1	1
Opportunity to send out advertisement e-mails to symposium participants prior to the symposium.	YES, TWO	YES, TWO	YES, ONE
Supporter's name and logo will appear on the symposium's website	MAIN BANNER + CAROUSEL + SUPPORTER PAGE	CAROUSEL + SUPPORTER PAGE	CAROUSEL + SUPPORTER PAGE
Size of the logo in the Supporter's web page and on advertisement material including the newsletter	LARGE	MEDIUM-LARGE	MEDIUM-LARGE
Advertising space in the program booklet (PDF) and screens at the event	FULL-PAGE	FULL-PAGE	HALF-PAGE
The Supporter's name and logo will appear in the proceedings of the symposium .	YES	YES	YES
The Supporter's name and logo will appear on the symposium's registration GADGET .	YES	YES	YES
The Supporter will be allowed to provide branded giveaways for inclusion in the registration gifts.	YES	YES	YES
Exposure of company logo in a repeating presentation loop before, in-between, and after symposium sessions.	YES	YES	YES

Benefits description

IOLTS26 MAIN SUPPORTER(S) wording

Only Platinum supporters will be identified as the **Main Supporter(s) of the International Symposium on On-Line Testing and Robust System Design 2026**.

When the company is cited in an IOLTS26 official document/page/post, the company name is always followed by the wording “- Main Supporter of IEEE IOLTS26”. It is possible for IOLTS26 to have more than one Main Supporter.

The Social Event of the symposium will be announced as “offered by the Main Supporter(s)”

The support money from the Main (Platinum) Supporters will be used primarily for the Social Event of the IOLTS26, which will be announced as “**offered by the Main Supporter(s)**”.

The Apulia region is an exciting location, rich in natural attractions. The organization is already working on the social program for July 2, 2026. The social program will start in the afternoon at around 14:00 and continue throughout the evening. It will include the following activities:

- Tour of the Caves of Castellana
- Alberobello guided visit
- Gala dinner

Additional publicity

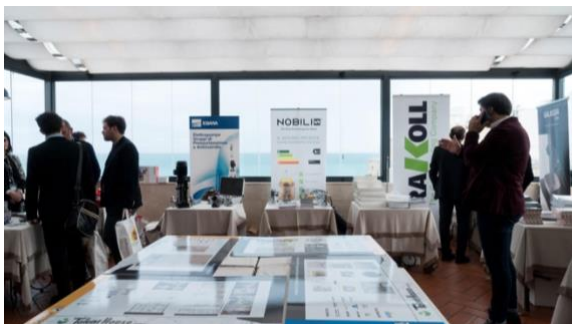

Additional publicity solutions can be arranged as requested by Platinum supporters only.

The organization is also open to considering additional advertisement possibilities upon the Platinum supporters' request. An example could be to host dedicated pages on the official IOLTS26 website.

Special Area and/or Table Top Demo

A **special area and/or Table Top Demo at the symposium site** will be assigned to the Platinum and Gold supporters as their demonstration area (posters, leaflets, recruitment material, and other advertisement material) upon request. This could be a table (provided by IOLTS) or a booth (supplied by the corporate supporter).

At the conference venue, Platinum and Gold supporters can use a space to promote their products/initiatives. This space will be available in the conference main room or close to the registration desk.

This location provides broad access to attendees along the three days event. Alternative spaces can be requested from the Organizing committee upon supporters' request; special requests will be evaluated individually.

Politecnico di Torino, IT
riccardo.cantoro@polito.it

Dr. Annachiara Ruospo
Politecnico di Torino, IT
annachiara.ruospo@polito.it

Complimentary registrations

Complimentary registrations to the symposium can be obtained according to the supporter level.

- **Two (2)** for Platinum Supporters
- **One (1)** for Gold and Silver Supporters

The organization estimates the following participation rates. Supporters' donations greatly help the organization maintain low participation rates and afford a significantly lower student rate. IOLTS26 is an IEEE-sponsored event, and IEEE members get discounted fees.

Estimated prices

IEEE member		Non-member	
– early bird rate*	650€	– early bird rate	750€
– late rate	750€	– late rate	850€
– early bird student rate	550€	– early bird student rate	630€
– late student rate	650€	– late student rate	730€

*early bird rate = before June 12th

Advertisement e-mails

Opportunity to send **advertisement e-mails** to registered participants before the symposium.

- **two (2)** for Platinum and Gold Supporters
- **one (1)** for Silver

Advertisement emails will be sent from a dedicated email address, such as IOLTS26@polito.it, the same one used for the newsletter. This email address appears to be junk-resistant, given its official university affiliation.

The supporter's name and logo will appear on the symposium's web page

Supporters can reach a large and specialized audience through the IOLTS26 website. The website can host company logos on different positions, as shown below.

annachiara.ruospo@polito.it

Main IOLTS26 page

IOLTS26 supporters page

The supporter's name and logo will appear on the symposium's web page in the following positions.

- **Main Banner** – for Platinum Sponsors only
- **Logos carousel** – all supporters (in the following order: Platinum, Gold, Silver)
- Supporters page (<https://orion.polito.it/iolts/supporters/>)
 - o **Large-sized** logo displayed for Platinum Supporters
 - o **Medium/large-sized** logo for Gold and Silver Supporters

Advertising space in the PDF program booklet

The IOLTS26 organization will produce a program booklet to illustrate the program and store all the necessary information for attendees. Advertisement pages are included in the IOLTS26 booklet.

- **One full-page advertising space** is reserved for every Platinum and Gold Supporter
- **Half a page of advertising space** is reserved for every Silver Supporter

The PDF of the program booklet will be available from mid-May 2026 onwards on the website.

Supporters' names and logos on symposium proceedings

All Supporters' names and logos will appear in the **symposium digital proceedings**.

The Supporters' name and logo on the registration gadgets.

All participants will be gifted daily-use gadgets, such as a pen, a water bottle, an umbrella, or a backpack, with **supporters' names and logos**.

Branded giveaways in the symposium bag.

All Supporters will be allowed to **provide branded giveaways** for inclusion in the symposium registration bag.

Repeating presentation loop at the event

Exposure of the company logo in a **repeating presentation loop** before, in between, and after symposium sessions in the main conference room is a benefit for all-level supporters.
